

<b>Date</b>	<b>Name of experience</b>
<b>Observation/purpose</b>	
<b>Child/ren</b> Large group    Small group Individual    Specific	
<b>Learning focus</b> Refer to EYLF learning outcome, FFSuccess learning area and specific focus e.g. Children have a strong sense of identity, Being proud and strong, Confidence and Resilience	
<b>Description</b>	
Think about: What are the children's ideas? In what ways will educators build learning bridges from what children know and can do to new learning? What level of support is required? What will be the context for learning? How will the environment be set up? What supporting resources will children have access to? In what ways will families and community be involved? How might you draw on local knowledge and culture? What strategies could be used to extend children's thinking and learning?	
<b>Evidence of learning</b>  Insert photo/video?	
Think about: How did children demonstrate their learning in the area of your focus?	

<b>Focus for new learning</b>	<b>Notes</b>
<b>Think about: Where to next?</b>
